

## PRODUCT SAMPLE RULES

The following rules shall apply to product sample orders or inquiries:

**Dataforth does not offer free samples. However, we do have several customer options.**

### **1. Sample Product Request**

Customer may purchase sample(s) at 50% off list price (1<sup>st</sup> piece only).

### **2. Free Sample with Confirmed Purchase**

If a customer requests a product sample, Dataforth can approve the following after it has been determined and confirmed by the Sales Channel Partner and Dataforth Sales that there is the need for at least 20 pcs.

The customer will buy the first unit at full price and Dataforth will apply a credit in the amount of the first unit toward the next volume purchase of 20 or more units.

### **3. MAQ20 System Demo/Sample Kit**

If a customer wishes to demo/sample a MaQ20 system, the demo kit will be loaned out for 30 days. Customer must provide Dataforth with a current credit card to be charged if the demo unit is not been returned within 30 days, and no other arrangements have been made.

If you have any questions about this policy, please contact customer service at [sales@dataforth.com](mailto:sales@dataforth.com) or phone +1-520-741-1404
